Carbon Footprint Reporting Course - Pricing Options

This is an international standard course that teaches you all of the details you will need to do a complete carbon footprint report. No prior experience is necessary although applicants will be expected to be numerate.

Pricing (Video Courses)

The video course comes with a 1-1.5 hr video presentation, slides and a template report for use in your own carbon footprint reporting. Your own personal tutor is also available via email and chat to answer any questions you might have during your studies.

This video course is great for going at your own pace, fully grasping a topic before moving on, as well as always having access to the video and course materials that you can refer back to at a later date.

Price: £15

Pricing (Live Webinars)

These live webinars are suited to organisations who want to train up a group of people to do in-house carbon footprint reports to a fully professional standard. *The webinars are run by a professional with over 15 years experience in carbon footprinting as well as 7 years teaching experience in schools.*

All participants will also get a recording of the presentation along with slides and presentation notes for revision purposes.

Prices are as follows:

- **£75:** this is approximately 1 hr duration with up to 15 mins of additional question time if required.

To order please email admin@netzero-southwales.co.uk.

Pricing (in person workshops)

These workshops take place at a venue of your choosing and do not include venue hire or room booking prices. The prices also do not include travel costs for the course facilitator nor any potential overnight stays if the travel distance requires it.

The certification process is available for workshops at an extra price of £15 per person. This requires each participant to complete and return an exam done in their own time.

All participants will also get a recording of the presentation along with presentation notes for revision purposes.

Price:

- **£100:** this is of 1 hr duration with up to 15mins question time.

To order please email admin@netzero-southwales.co.uk.
